- Basic clone of Google keep web app built with react deployed on Netlify

Todo list web app

- <https://blooming-fortress-04379.herokuapp.com/>
- Basic Todo list web app built with node and EJS deployed on Heroku

WORK EXPERIENCE

Summer Intern

Department of Design, IITH

06/2018 - 07/2018

We worked on a project called Digitisation of Indian Heritage Monuments in Virtual & Augmented Reality. My role was to stitch the laser scanned files of monuments and render them in a 3D software. I've successfully completed my tasks on time and gained some experience working with the team of faculty and PhD students.

SKILLS
